EAACI RESEARCH AND CLINICAL FELLOWSHIPS

EAACI Fellowships support EAACI JMs who wish to spend time in a research or clinical center in another country with up to 20,000 EUR, for a 3 – 12 months period.

EAACI JUNIOR MEMBERS MENTORSHIP PROGRAMME

The EAACI JM Mentorship Programme (MP) is a partnership between a Mentor (experienced EAACI professional) and a Mentee (EAACI JM), working in similar fields.

AIMS

- ✓ To improve professional skills and career development through the networking of EAACI JMs with experienced professionals within the EAACI community.
- ✓ To create a platform for JMs to communicate with EAACI experienced professionals, receive answers/feedback to their questions or comments, obtain assistance in achieving their goals and initiate possible scientific collaborations.
